Class	Resource Base	Homework	Term	1

Weekly Essentials

These must be completed each week and will be checked every Friday.

Times Tables	Reading
For those that have been given time table booklets, please practise your times tables so that you are completing a page each week. We also recommend that you use Times Tables Rockstar and earn points for your class. Top-scorers will receive certificates at the end of each term.	We expect pupils to read at least 4 times a week. These must be recorded in your Reading Diary and signed by an adult. We encourage adults to read with the children as much as possible.

Creative Challenges

Choose a minimum of 1 of these creative challenges to complete throughout the term. You can bring these in throughout the term ready to be displayed at our 'Fabulous Finish'.

Math	Science	PE	PSHE	ART
Go on a number hunt around your local area. Use the numbers you have found to write them on a place value chart – how many hundreds, tens and ones are there. Or: add up all the numbers you have found to make a big total.	Find out some amazing facts about skeletons. Make a skeleton using straws on paper. You could choose a section of the body such as the ribcage, an arm or a leg to make a detailed representation of how many bones this part of your body has.	Practise your ball skills at home. Use a variety of balls to practise throwing and catching a ball. You could set up a little obstacle course around which you can dribble a ball. Join in with a game with your family. Take a basketball to a local park for a dribble.	Create a fact file about how to be a good friend. What things make a good friend? Be creative with drawings, photos or decorations to show what a good friend looks like and acts like. You could include how you are being a good friend.	Using a mirror, could you draw a portrait of yourself? Observe yourself carefully in the mirror to add facial features. Use a photo of yourself, cut it in half and draw the missing sides. You could also ask a family member to sit for a portrait session.
