Year group	6	Homework	Term	1

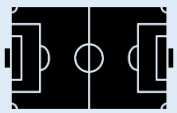

Weekly Essentials

These must be completed each week and will be checked every day.

Times Tables	Reading	Spelling Practice
		
Practise your times tables so that you are completing a page in your times table book each week. We also recommend that you use Times Tables Rockstar and earn points for your class. Top-scorers will receive certificates at the end of each term.	You must read at least 4 times a week. These must be recorded in your Reading Record and signed by an adult. We encourage adults to read with the children as much as possible. It is also important that children are reading a book at an appropriate level.	The children must focus on learning, understanding and using the Statutory spellings for year 5/6 in preparation for SATS and our termly spellings bees.

Creative Challenges

Choose a minimum of 2 of these creative challenges to complete throughout the term. You can bring these in throughout the term ready to be displayed at our 'Fabulous Finish'.

Science	Writing	Maths	PE	History
				
Research the concept of a solar eclipse and try to **explain** what happens.	**Write** a **review** of the book Holes. Tell us about your favourite character or part of the story.	**Build** a 3D model using your knowledge of 3D shapes. You could use cubes, cuboids...	Create your own **rules booklet/poster** for your favourite sport.	Create a fact-file all about what you know about the Ancient Maya.
